

Laurel J-718

Professional quality, basic banknote counter

High Productivity

The J-718 boasts a counting speed of 1800 notes/min. which will help significantly improve operation efficiency.

SC Detection

The J-718 is equipped with the SC (Short size Check) Function as standard to prevent rogue denominations being counted.

Low Error Rate

Thanks to the J-718's enhanced Counting Sensor System, error rate is significantly reduced, even when counting poor-quality notes.

Low Jamming Rate

Professional quality note transportation mechanism ensures less frequent jamming.

High End professional banknote counter
